OLD BUSINESS

Composting — Mayor Liebert reported that he feels paying up to \$750 per month to rent roll-out carts for composting from ID is a large and unnecessary expense. Residents can use an existing can for yard waste or purchase paper composting bags. After discussion, Mrs. Garrett suggested and Council agreed that we not take any action at this time. Mrs. Keefe will put information on the home page of our website, advising residents of their composting options: that they can designate an existing can "Yard Waste Only" and set it out for pick-up; or they can purchase paper composting bags. She will also warn residents that ID will not pick up a container that mixes yard waste with any other waste.

Middle School Cluster — Mrs. Chesser reported that she met with Carol Haddad and Dr. Rodosky of JCPS on December 22 to discuss changing our school cluster. Dr. Rodosky couldn't make any promises but indicated that it looks hopeful that the middle and high schools in our cluster will be changed to Highland Middle School and Atherton High School. Dr. Rodosky will keep Mrs. Chesser informed.

Fence on Larkmoor Lane — Mrs. Welsh reported that last year Councilman Joe Welsh had talked to the owners of J J Carter & Sons. At that time, they told Mr. Welsh that when they constructed the fence, they gave Watterson Park a piece of the property surrounding the fence, so they felt they were not responsible for maintaining the fence. Mrs. Welsh just recently spoke with someone at Iron Mountain and they said they wouldn't repair or maintain the fence since they didn't install it. In the past, a resident on Larkmoor Lane paid to have the fence stained. The fence is falling apart at the bottom in several areas. Mrs. Chesser mentioned the fence at the end of Milldaun Road that is also in need of repair. The possibility of replacing both fences was brought up. Mayor Liebert said that since parts of both fences are on private property, we wouldn't be able to replace the entire fence at either location. We could possibly do repair work on them. After discussion, Council agreed to table the matter and bring it up again in the spring.
